To all to whom these presents shall come—GREETING.

R. H. POOLEY, { WHEREAS by Letters Pat-  
Attorney-General. } Went dated the fifteenth  
day of March, one thousand nine hundred and  
twenty-nine, the inhabitants of the area compris-  
ing the lands therein described were incorporated  
as a village municipality under the provisions of  
the "Village Municipalities Act," and under the  
name of "The Corporation of the Village of  
Williams Lake":

And whereas it is provided in the "Village Municipalities Act" that the Lieutenant-Governor in Council may by supplementary Letters Patent from time to time enlarge, restrict, or otherwise alter or amend the rights, powers, and privileges or the method of government of a village municipality incorporated under that Act:

And whereas pursuant to the "Village Municipalities Act" an election for Commissioners was held in the month of January, 1930, two of the candidates for the Board of Commissioners receiving the majority of the votes cast over all the other candidates and duly declared elected; and whereas two of the candidates received an equal number of

votes and there was no provision in the "Village Municipalities Act" or in the by-laws of the municipality by which the election of either one of them could be determined; and whereas by reason of such condition a vacancy exists on the Board of Commissioners:

NOW KNOW YE that by these presents We do order and proclaim that the powers of the village municipality of "The Corporation of the Village of Williams Lake" are enlarged to the following extent, namely:—

1. The two candidates who received the highest number of votes at the election held in January, 1930, and who have been declared elected to the Board of Commissioners shall have power to pass by-laws providing for an election to fill the vacancy existing on the Board by reason of the fact that only two Commissioners were elected at the said election.

3. The election to be held pursuant to the powers herein granted shall be held not later than the twenty-second day of March, 1930.

4. The provisions of the "Village Municipalities Act" and of the by-laws of The Corporation of the Village of Williams Lake, relating to the holding of elections shall as far as applicable apply to such election.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.

WITNESS, the Honourable JAMES ALEXANDER MACDONALD, Administrator of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twenty-sixth day of February, one thousand nine hundred and thirty, and in the twentieth year of Our Reign.

P.C. No. 260.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 11TH FEBRUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 30th January, 1930, from the Minister of the Interior, submitting that on the 24th July, 1907, Timber Berths Numbers 517, 518, 519, 520, and 521, lying in the Chehalis Valley, British Columbia, were sold by tender to Sir Douglas Cameron, which berths, through assignments, are now held by the Statlu Lumber Company, Limited, of Vancouver. The survey of these berths was made in 1908 by the licensee.

A cruise of these berths was made in 1906, by Messrs. F. Pretty and Arthur Tretheway, they having spent about six months in the valley in order to make a thorough inspection of all the commercial timber therein not then already leased. In this district mountains rise for several thousand feet immediately adjoining some of the lands carrying timber and capable of being logged. The cruisers staked all the ground bearing timber, irrespective of the description or quality thereof, excluding mountains and barren ground; and the late Mr. Leamy, the then Dominion Lands Agent at New Westminster, was requested by them to advertise the stakings for sale by tender, but although that officer understood the irregularities in the stakings were due to the fact that there were several high mountains and other inaccessible areas, all of which had been excluded, he reworded the stakings in order to describe the areas by sections, although the locality was unsurveyed, and he agreed that if the contention of the cruisers was subsequently found to be correct, the Department would allow alterations to be made so that the original intention would be carried out. The above facts were disclosed to Sir Douglas Cameron by the cruisers, who assured him that the limits would include all the available timber then left in the valley, and he was, therefore, induced to tender.

The above facts are set out in a statutory declaration made by Mr. Pretty, who recently revisited the valley, and it is contended that the change in the wording of the description of the areas located and staked has resulted in considerable timber-bearing lands being excluded from the berths and a considerable acreage, useless as timber lands, being included. The Company have found that there are included 5,684 acres, more or less, which are barren and timber and absolutely useless as timber lands or for any other purpose, while some 4,414 acres capable of being logged have been

omitted, and it has been calculated that, on the basis of the average cost per acre of the various berths, the original cost of the 5,720 acres was \$19,229.53, and, adding rentals and fire-guarding dues, the total cash outlay has been \$30,163.89. Figured on the same basis, the cost of the proposed acreage to be substituted is \$14,921.71, or over \$4,000 less than the amount actually paid for the barren acreage.

The descriptions covering the parcels to be eliminated, marked "A," and those to be substituted therefor, marked "B," are attached herewith, such parcels being shown coloured red and green, respectively, on the accompanying plan.

The registered owners of the adjoining berths have given their consent, and after weighing all the facts the Minister recommends that the Company's application be granted by adjusting the acreages of the several berths mentioned in accordance with the attached descriptions, without, however, adjusting any rentals already paid, and subject to the condition that the Company, or their assigns, will undertake any additional surveys as may be required by the Department in connection with these berths at their own expense.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 223.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 3RD FEBRUARY, 1930.

THE Committee of the Privy Council have had before them a report, dated 21st January, 1930, from the Minister of the Interior, submitting that application has been made to the Department of the Interior, on behalf of Ruskin Operations, Limited, for control of a certain portion of the bed of Stave River adjoining the easterly boundary of the southerly part of Lot 438, Group 1, in Township 14, east of the Coast meridian, in the Province of British Columbia, comprising an area of 7.29 acres, more or less. The applicant is the registered owner of the southerly part of Lot 438, Group 1, referred to, and it requires the area applied for in connection with its lumbering operations.

The Minister, being of the opinion that this application should be given favourable consideration, recommends that authority be granted for the issue of a licence of occupation in favour of Ruskin Operations, Limited, covering the aforementioned portion of the bed of Stave River, comprising 7.29 acres, more or less, for a term of ten years, renewable on expiration for a further like term, and at an annual rental of \$1 an acre, payable in advance yearly; such licence to be subject to the usual terms and conditions, including a clause providing for cancellation thereof on one year's notice.

The Committee concur in the foregoing recommendation and submit the same for approval.
